

Buckles

End release buckles may be used with cable, web or metal straps.

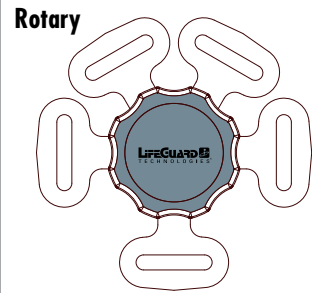

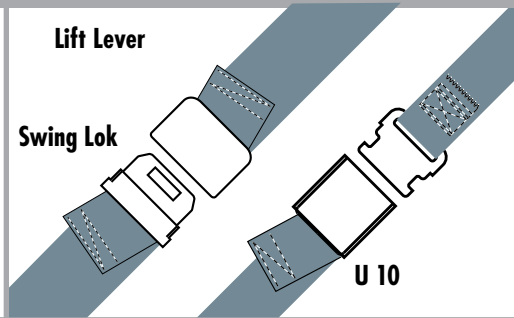

Buckles by LifeGuard Technologies®, a division of IMMI, offer many options to accommodate various mounting requirements. All LifeGuard buckles have been engineered for durability and proven for off-highway and military usage.

- Perform in harsh environments
- Meet North American and international seat belt specifications for on- and off-highway applications
- Electrical option integrates with machine safety systems
- Sealed electrical switches protect against moisture and dust
- Accommodate 2" and 3" LifeGuard retractors
- Cable, steel or web strap mounting options
- 4-point or 5-point configurations available
