Scraper Boot

3" Webbing (75mm)

Long Boot

Seat belt systems by LifeGuard Technologies®, a division of IMMI, are engineered and field tested to reduce cinching and provide cushioning for rough rides in off-highway applications. These features provide the operator with increased comfort and range of movement and encourage seat belt use.

- Adjusts to operator size
- Stores and protects webbing
- Designed for heavy duty environments
- Combines with Comfort Ride products to provide optimal comfort system
- Interchangeable with all LifeGuard 2" and 3" Automatic Locking Retractors (ALR)
